

Make no payments for three months

with a special lease offer from Olympus. Choose to lease your ScopeGuide system and your contract requires no payment for the first three months. As an added bonus, when you add service to your lease agreement, make no service payments for the first three months.

Lease Terms

- 24 or 36 months
- No payments for the first three months
- For the lowest possible monthly cost to use and best upgrade positioning, choose a Fair Market Value Purchase Option Lease.
- For long-term ownership goals, choose a \$1.00 end-of-term purchase option lease.
- Offer good through March 31, 2012.

Contact your Olympus Sales Representative or call **800-848-9024** to speak with an Olympus Financial Services Professional for complete lease details.

About Olympus Financial Services®

Backed by over 20 years in healthcare financing, Olympus Financial Services programs provide unique and highly competitive approaches that ultimately support the bottom line of your revenue cycles and help keep your cash flow at optimal levels—all while preserving your bank facilities for other day to day needs. All financing arrangements are subject to credit and documentation review and approval by Olympus Financial Services.

Your ScopeGuide System Lease Components

- 1 ScopeGuide (UPD-3) including:
 - Processor (UPD-3)
 - Receiver Dish (MAJ-1868)
 - Roll Stand (MAJ-1907)
 - Hand Coil (MAJ-1859)
- 2 Colonoscope(s) (CF-H180DL)*
- 3 Optional accessories:
 - 26" Monitor (OEV-261H)
 - CO2 Insufflation Device (UCR)
 - CO2 Tank Holders (MAJ-188)
 - CO2 Dual Valve (CO2-DUALVALVE)
 - Position Detecting Probe (MAJ-1300)*
 - Remote Control (MAJ-1890)
 - Reference Plate (MAJ-1860)
 - Colon Model (CM-15)

*A Position Detecting Probe (MAJ-1300) can be used with existing Olympus colonoscopes that have at least a 3.2 mm instrument channel. If a pediatric colonoscope is required, the MAJ-1300 must be used to ensure ScopeGuide functionality.
